### Project Description

---

---

---

Construction of this project will not alter the existing drainage patterns and will not adversely affect any of the adjacent neighbors or downstream properties.

I acknowledge that Section 11.086 of the Texas Water Code states that no person may divert or impound the natural flow of surface waters in a manner that damages the property of another and that I may be held responsible if a person's property is injured by an overflow of water resulting from this project.
